RE: Real Estate Growth Advisors, LLC. closes on Park West Gardens

Real Estate Growth Advisors, LLC. (“REGA”), a New Jersey based real estate investment and management company, is pleased to announce the closing of its third acquisition, Park West Gardens, located on 159 Park Avenue, East Rutherford, Bergen County, NJ. The property is a three story 20-unit multifamily property consisting large one-bedroom apartments on the second and third floors over garage parking on the first.

The previous owner was based out of state and the property was significantly under-managed. REGA’s strategy is to reposition the property and improve operations and cash flow by upgrading/renovating individual apartment units and common areas as well as implementing REGA’s disciplined, hands-on management.
